You don't just play games at  
Marvel Ganga Fria. You create them.  
You re-invent them.

A unique project that combines  
recreational opportunities with  
luxurious living, Marvel Ganga Fria is  
your home where games come to life.

Are you a cricketer with the love of  
football? Perhaps you want to learn  
how to skate while on the second lap  
in the pool? Or do you want to spend  
evenings shooting hoops with a  
feathered shuttle?

You can do all and more at  
Marvel Ganga Fria. Choose from over  
35 recreational amenities to suit  
your mood.

## Pune's new sporting arena

Wagholi is an upcoming eastern suburb of Pune. Close to several offices and IT parks, it is fast becoming the residential area of choice for families and individuals alike.

Wagholi caters to every need and desire of a home-owner today. In close proximity are malls and multiplexes that jostle for space; coffee shops and restaurants entice with their multi-cultural cuisine; and schools and colleges are aplenty.

Well-connected by broad, 4-lane roads, Wagholi is where all the action is taking place in Pune today. Being accessible to booming Ranjangaon and the industry hub of Chakan simply adds to the convenience.

A cartoon illustration of a person with a wide, happy face, jumping or falling backwards with arms outstretched. Above them is a large, yellow, cloud-like speech bubble containing the text 'May the best player win'.

May the best  
player win

Marvel Ganga Fria is Pune's latest residential playing field that combines landscaped spaces and recreational facilities to create the perfect project.

Spread across acres of landscaped space, it envelopes luxurious living and unique amenities.

The towers at Marvel Ganga Fria sit comfortably within these lands, leaving plenty of space for sports and recreation. The second phase of Marvel Ganga Fria will be coming up shortly, increasing the number of towers in the project.

Place your bet on any of Phase One's apartments, including penthouses, and you're sure to find a winner. Ranging from 2 to 3 BHK, each apartment is built to the high standards of Marvel, offering the best in design, luxury and comfort – a winning combination, every time.

Designed to offer maximum privacy and yet not compromise on the view, these homes are a promise to better living.

The project has ample car parking.

Step inside Marvel Ganga Fria and you will feel an adrenalin rush. Everything within the project has been developed keeping in mind the recreational needs of children and grown-ups alike.

The landscape has been designed to create an environment to exercise, relax, socialise and play. Here, green lawns merge into water bodies, timber boardwalks connect to shaded walkways and casual recreation turns into challenging sports.

Indulge in a friendly cricket match or spend time kicking some goals at the mini-football field. Or perhaps shoot a few hoops in the basketball court. If you prefer, exercise your arms and stamina at the badminton, squash and tennis courts. There is also a skating plaza where you can discover balance and a new skill. Should you feel the need to practice your swing, we have a mini-golf course.

Then again, you could do all of it.

The only person stopping you, is you.

If games and sports aren't for you, you can always seek fitness at the state-of-the-art gymnasium or the fitness centre. Enjoy a swim at the main pool while kids make a splash at the one for children. The clubhouse makes for the perfect place to relax, offering respite from the outdoors.

For those looking for more relaxed ways to unwind, there is the yoga meditation plaza. And if you're looking for some me-time, there is the spa that offers tranquil moments, away from the hustle-bustle of everyday living.

The landscaped areas offer opportunities for unhurried strolls. Saunter through ecological walkways; spend a slow afternoon in woodland gardens; take in the fragrance of the aromatic gardens; and enjoy quiet introspection in the tree grove seating.

Marvel Ganga Fria isn't all sports and fitness.

There are special zones that encourage socialising as well. The festive gathering plaza, the soft landscaped party lawns and amphitheatre create reasons for special occasions or casual get-togethers.

# The gaming console for your home

Whether you're incredibly tech-savvy, or completely technology-phobic, you'll fall in love with the unbeatable luxury that is Marvel's state-of-the-art home automation.

Automated Apartment Management Systems, with touch screens and remote controls, put you in charge of every gadget with just finger commands. You can watch over your entire house from centrally located LCD touch panels or via internet from anywhere in the world.

Security concerns are a thing of the past; with access control in the lift lobby and video security, you and your family are completely safe. What more can someone who has everything possibly want?

Marvel can create even more automation wonders for you, at an extra cost. A sneak preview...

- With multi room audio and video distribution, keep all equipment – CD/DVD player, radio receiver, audio / video servers or cable / satellite dish receiver, at one location, yet play the equipment from any room.
- Your terrace garden will be watered depending on existing moisture in the soil.
- Save energy with intelligently-installed presence sensors and dimmers, and AC controls that judge requirement and occupancy of a room.
- Curtain controls will open or draw the curtains at the flick of a finger, changing mood and light.

In these times of global warming we all have a very immediate responsibility to the planet. Living in a Marvel project makes it that much easier to limit your carbon footprint. Even if you're not an active player in the quest to save the earth, Marvel's technology, good practices and core values ensure you live a sustainable lifestyle.

To Marvel, a safe and healthy environment goes beyond acquiring ratings and certifications. Commitment to the planet and a sustainable lifestyle has become a core value of the company and as such, every project moves forward in this regard – improving specifications, adding initiatives.

#### Some of the green initiatives include

- Renewable energy via solar heating systems
- Rainwater harvesting
- Heat and ventilation studies undertaken at the design stage
- Architectural design that ensures good ventilation and the maximum use of natural lighting
- Use of home automation that senses occupation in a room and regulates lighting and air-conditioning
- Use of energy efficient CFL light fixtures
- Large areas of landscaping throughout the project, and ensuring plants are of indigenous and drought-tolerant species.
- Fully utilizing re-cycled water for flushing and landscaping
- Segregation of organic waste via vermiculture
- Use of environment-friendly construction materials like fly ash
- Large terraces with ample landscaping
- Efficient irrigation systems

Backed by the success of its residential projects, Marvel has begun work on several state-of-the-art commercial projects. Launched projects include:

**Marvel Edge**, our first commercial venture, is an ambitious project of over 1 million sq.ft. in Viman Nagar.

**Marvel Ganga Trueno** consists of two 11-storey high towers at Viman Nagar, where the distinct textures of stone combine dynamically with steel, to create a façade that is contemporary.

**Marvel Visto**, the upcoming coveted commercial address at Lulla Nagar, offers seven floors of well-planned and unrestrained spaces.

**Marvel Sentinel** at Magarpatta Road is a single-standing, 70 metre high beacon, that will steer businesses into the 21st century by its sheer elegance, ergonomics and progressive design.

**Marvel Fuego** at Magarpatta Road is a commercial office space that will change the way people do business.

**The Boulevard @ Marvel | Ganga Sangria** is a luxury pedestrian mall, with stores, bookshops, cafes, restaurants and more at NIBM Road.
